Coleman Canadians Win Over Corson's All-Stars - 7 to 5

Well over 1,000 persons were on hand at the Coleman arena Saturday night to see the game of the year when Corson's All Stars were downed by the fast-playing Coleman Canadians by a score of 7 to 5.

The game was played under protest as coach of the All Stars, Ed Corson protested against the Canadians using three imports from senior 'A' teams. Although the All Stars had agreed on Benny Redsky, a former Kimberley Dynamiter player, being on the Canadians' line-up, Corson protested against them using Buck Kavanaugh and Sully Sullivan, both senior 'A' players of last year's Kimberley Dynamiters. "Chick" Roughhead, manager of the Canadians, agreed on the protest, and as a result a second game will be played in the Blairmore arena at a date to be announced.

Proceeds from the game in Blairmore will go towards promoting Pee Wee hockey in Blairmore.

With over 1,000 fans attending the Coleman game, a good gate was realized and after necessary expenses are paid the balance will go towards Pee Wee hockey in Coleman.

After a fast no-score first period the Canadians blinked the red light at 45 seconds of the second period when E. Lant on a pass from Shorty Jenkins, scored the first goal.

The period also saw the following goals—All Stars at 3 minutes, Tony Velprave from Joe Beegan; Canadians, 8 minutes, Chick Roughhead; 9:10, Canadians, E. Lant from G. Lant, and at 12 minutes, Bill Trotz

scoored a goal for the All Stars.

In the third period at 30 seconds Tony Velprave on a pass from Bill Fraser, scored for the All Stars, tying up the score. At 3:30 the All Stars' St. Favero, from Pee Wee Ulrich and Muji Wakakubo, at 10 All Stars Bruno Galicia from Pee Wee Ulrich; at 10:00, Canadians Benny Redsky from Buck Kavanaugh, at 14 minutes, George Jenkins from Benny Redsky; at 17:30, Benny Redsky and at 19:03, Max Yerlin on a pass from Sully Sullivan, scored the final Canadian goal.

Each team got four penalties with Canadians Shorty Jenkins getting a misconduct in the second period for arguing with the referee while Joe Beegan of the All Stars also got a 10-minute misconduct for telling Referee Vince Boesel that two of the players were over a blue line.

Playing goal for the All Stars was Cecil Olson of Blairmore, while netminder for the Canadians was Dave Pow of Coleman.

Fans in the Pass are now looking forward to the second game when only local players will be on the teams. Date of the game to be played on neutral ice in the Blairmore arena will be announced.

Chief Corson wishes to thank all those who attended or who helped in any way to make this game such a financial success.

St. Alban's W. A. Hold Meeting

The Women's Auxiliary of St. Alban's Church of Coleman, held their first meeting of the year at the home of Mrs. Eleanor Duncan on Tuesday evening, January 12.

The officers for the coming year are:

President, Mrs. Edith Clarke.
Secretary, Mrs. Velma Howard.

Treasurer, Mrs. Margaret Krywolt. Mrs. Montabetti kindly offered her home again for the St. Patrick's tea and bazaar on Saturday afternoon, March 19th.

The date for our annual spring rummage sale was set for April 30.

A delicious lunch was then served by the hostesses.

Churla of the Grands Heads League in Scoring Race

Fritz Churla of the Coleman Grands still leads the Alberta, British Columbia, Montana Hockey League this week with a total of 39 points chalked up from 20 goals, 19 assists.

Standings in the league as follows:

	goals	assists	pts.
F. Churla, Coleman	20	19	39
Andy Drobot, Cranbrook	19	19	38
Sam Williamson, G. Falls	22	11	33
Barry Fraser, Coleman	16	11	27
Dave Thompson, G. Falls	14	12	26
Cal Quam, G. Falls	12	13	25
D. Craig, Cranbrook	11	14	25
B. Casey, Cranbrook	10	15	25
Ted Kryczka, Coleman	9	10	19

Annual Meeting St. Alban's Church

The congregation of St. Alban's Anglican Church met in the parish hall on the evening of January 10 for their annual meeting.

Rev. P. C. Dodd presided at the meeting and heard very favorable reports from all the church groups as follows:

Treasurer, People's Warden, Women's Auxiliary, Envelope Secretary, Sunday School and Choir.

All had been active during the year.

The treasurer's report indicated a substantial drop in receipts, however, the church during the year, through assistance from its organizations, was able to carry on satisfactorily and keep all expenses paid. For five months of the year St. Alban's Church was without an incumbent and services were conducted by Mr. A. Gray, a lay-reader from Cowley. His tenure was accepted most graciously. In June the Rev. Mr. C. D. Dodd was appointed Parish Priest in the three Parishes and since then giving and attendance has increased. All the church functions are being carried out.

Officers for the 1960 Vestry include:

People's Warden, Mr. H. Turner.

People's Warden, Mr. C. Clarke.

Members, Mr. A. Graham, Mr. F. Graham, Mr. J. Paxton, Mr. J. Montabetti, Mr. E. D. Howard.

Lay delegates to the Diocesan Synod will be Mr. E. D. Howard and Mr. J. Paxton.

ATTENTION OWNERS and OPERATORS OF MOBILE EQUIPMENT

The Mobile Construction Equipment Licensing Act and The Seismographic Recording and Drilling Equipment Licensing Act were repealed last year.

Effective January 1st, 1960, all equipment formerly licensed under these two Acts are subject to license under The Mobile Equipment Licensing Act.

Inspections are constantly in the field checking all mobile equipment subject to licensing. Provision is made for the imposition of a fine and possible impoundment of equipment where a violation of the Act occurs.

For your information the following definitions are taken from The Act:

- (d) "mobile equipment"—
 - (I)—means machinery or equipment capable of being moved to its place of use under its own power or by being towed, pulled or carried and not intended to be affixed to land, and
 - (II)—includes equipment used for the purpose of seismographic exploration and, without restricting the generality of the foregoing, includes
 - (A)—seismographic recording equipment and all appurtenances thereto,
 - (B)—conductor cables and cable reels, geophones, amplifiers and cameras,
 - (C)—explosive and detonating equipment,
 - (D)—drilling units and all the component parts and appurtenances thereof, and
 - (E)—water tanks and pumping equipment, but
 - (III)—does not include
 - (A)—vehicles licensed under the Vehicles and Highway Traffic Act, or The Public Service Vehicles Act, exclusive of mounted equipment on such vehicles, and
 - (B)—equipment, other than vehicle mounted equipment, used to drill a gas or oil well;
- (e)—"municipality" means a town, village, municipal district, county, improvement district, special area, mets improvement district or forest reserve;
- (f)—"owner" includes a person renting mobile equipment or having the exclusive use thereof under a rental agreement or otherwise;

NOTE : Mobile Equipment having an original list price of less than \$2,000, does not require a license under this Act.

A copy of The Mobile Equipment Licensing Act may be obtained, upon payment of ten cents, from the Office of the Queen's Printer, Highways Building, Edmonton, Alberta.

Address all inquiries regarding MOBILE EQUIPMENT LICENSES to the DEPARTMENT OF MUNICIPAL AFFAIRS, Edmonton. Licenses are also available at Department of Municipal Affairs Offices at Medicine Hat, Lethbridge, Calgary, Rocky Mountain House, Red Deer, Edson, Evansburg, Bonnyville, Lac La Biche, Westlock, High Prairie, Peace River, Spirit River, Grande Prairie and Drumheller, and the Special Areas Offices at Hanna, Oyen and Consort.

Province Of Alberta DEPARTMENT OF MUNICIPAL AFFAIRS

Of Many Things (By Ambrose Hills)

WHY HE WORKS

Casually I asked a man with a great deal of money why he continues to work. "Why do you keep going under such pressure?" I asked, "when you could afford to jump in your car and go touring to Mexico or wherever? You've got it made so why keep slugging?"

We had been having coffee in a Main Street restaurant and his car was parked across the street. "Come for a ride," he said, "and I'll show you why I keep slugging."

Well, to make a long story short, we toured the better suburbs of the city, and he pointed out to me no less than ten very nice homes. In front of some there was evidence of youngsters at play; others had the second car in the driveway—all looked neat and prosperous.

In every one of these homes lived the family of an employee of one or another of my friend's various companies.

We then took a trip to the less posh area of town, and he pointed to places where men who worked for him were living. Not in poverty by any means, but in far less comfortable quarters than the others.

"When every person who works for me lives in a darn fine house in a good section of the city, I'll feel I can stop slugging," he told me. "I am sure it is the devil not working for myself any more; I've got all the money I'll ever need, and I don't spend much anyhow."

"I think I believe you," I said, "but pillows wouldn't. If I wrote you up in my column, at least 20 readers I know would write sarcastic letters to the editors claiming Ambrose Hills had gone soft in the head."

"You try writing me up in your column," he said, "and I'll blacken one of your brown eyes for you."

I have written him up anyhow. I believe every single word he said. If that is soft-headed, okay—I am going soft. I only wish there were more people working hard so that others might benefit, because that is always the result of hard work. There is nothing in the world to share unless it is first produced, and it takes work to increase production.

Of Many Things (By Ambrose Hills)

BASIC VALUES

I was engaged in a project with a few other men. We were, I was told at the outset, "doing the rough work so we'd have it ready for Pete when he arrives." I had been engaged to do some of the writing.

Several times during our meetings and work sessions, it was said that "This had better wait until we talk it over with Pete."

So often was this fellow Pete mentioned that he became almost an obsession with me. I wanted to know more about him. Apparently he was fabulously successful in his operation of a certain company in Edmonton. Those who knew him always referred to him with above-average respect. Gradually I found myself thinking, "Nobody could be that good!" Nevertheless, I waited impatiently for the day that I'd meet this fellow face to face.

Well, I met Pete last night. We went into our session right after dinner and worked until midnight. This morning when I got up my first thought was about Pete and what makes him tick, what makes his salesmen work so hard for him, and why he is so widely respected.

When I met him first, last night, I was disappointed. He looked like any ordinary Joe, except for a boyish smile that seemed to come very seldom but was like a flash of sunlight. He wasn't quick on the uptake by any means, and in the first hour or so he didn't contribute a single gem of brilliance to the work. I was quite sure that even I outshone him.

But by midnight, I was his man. I am convinced that the work we were doing was improved immeasurably because he was present, although after a few questions from him we stroked out several of the smoothest paragraphs from the material we had written.

What made this man so impressive?—I think it was the fact that he has a sense of basic values, and you get to know that as you get to know him. He checks every gibl phrase, every quick idea, against his sense of what is right and solid and true.

You come to depend on the consistency of the man and what he

stands for. He never stops to think about what others might think; all his thinking appears to be a straightforward reckoning of what is right and just and good.

Perhaps an old-fashioned way of describing him would be to say that he has character.

Alberta Govt.

Five-year Plan

Grants based on a \$10 per capita basis for all Alberta communities of 10 or more population, except Edmonton and Calgary, to assist in the acquisition of recreational facilities, will be made available this year as the second part of the Alberta government's Five Year Program, it was announced recently by the Hon. A. R. Patrick, Provincial Secretary. An amount of \$3,653,000 is proposed to be spent on this portion of the program, originally announced by Premier E. C. Manning on August 14, 1959.

Population figures used to compute size of grants will be the figures used by the Department of Municipal Affairs in 1959 for grant purposes.

The grant will be approved for any feasible plan of recreation facilities and can be applied to any project undertaken since January, 1959. Any project that can be proceeded with during the five year plan period will be eligible for approval.

Consideration will be given to projects planned jointly by adjoining communities, the minister said.

Applications for the grants will be made by the council of the town, village or city concerned, to the Provincial Secretary. Hamlets of 1000 must make representation through the Department of Municipal Affairs, while those in municipalities and counties will be handled through the municipal or county council.

The Hon. Mr. Patrick pointed out that this plan does not affect in any way the existing government assistance of \$7,000 towards erection of swimming pools in towns and villages.

Blood Collections Reach New High

The Southern Alberta mobile unit of the Canadian Red Cross Blood Transfusion Service estimates that a new high in blood collections will be reached by the end of the year with over 30,000 bottles contributed by volunteer donors. This is the highest figure for collections in southern Alberta since the service was inaugurated in 1947.

The mobile unit went on its last trip of the year December 10th, with three clinics scheduled in Lethbridge. In the past 11 months the unit has travelled 10,000 miles and visited some 60 points in southern Alberta and south-eastern British Columbia to collect its precious cargo.

B.T.S. officials report that donor response has been very good at most places with a consistently large number of donors attending from Hutterite colonies.

It's better to give than to receive—because it's deductible.

Oliva - Myers Wedding Rites

Poinsettias and Christmas candlelight banked the altar in the Pentiction United Church and large tree candelabra glowed with white tapers to set the scene for the lovely ceremony Monday, December 22 in the afternoon, uniting in marriage Dona Marie Myers of this city and Samuel Ferrel Oliva, of Edmonton. Rev. Robert Gates officiated at the double-ring rites.

Principals are the daughter of Mr. and Mrs. J. Harold Myers of Pentiction, B. C., and the son of Mr. and Mrs. Dominic Oliva, who came from their home at Coleman, Alberta, to attend the wedding.

The bride, given in marriage by her father, was wearing a formal gown of handwoven lace and satin misting to floor-length over hoops and crinoline.

Satin fashioned the molded bodice with its long lily-point sleeves and Sabrina neckline appliqued in lace, and formed a front panel on the bouffant skirt of lace. A chapel veil of French illusion was caught to a crown of tiny pearls. Her trailing bouquet was styled from Red Delight roses and she wore a diamond gift, to complement her ensemble.

Waltz-length gown of gold delustered satin with portrait neckline, brace-length sleeves and unpressed pleats was worn by Miss Shirley Myers, who was her sister's only attendant. She carried gold "mums" and white carnations in her bouquet and wore a Dion-inspired headress of gold satin.

Mrs. Frank Christian sang "The Wedding Prayer" during the signing of the register, and Mrs. Monica Craig Fisher was organist.

The groom's brother, Frank Oliva, of Edmonton, was best man, and Lester Haire of Esquimalt was usher. Following the ceremony a small family reception was held at the home of Mr. and Mrs. Myers at 151 Bankview Road.

In the receiving line with the wedding group were parents of the principals.

Mrs. Myers wore a sheath dress of Pouvre blue lace, tangerine accessories and corsage of bronze "mums."

The mother of the groom was attractively attired in petal pink brocade satin ensemble with white accessories and white carnation corsage.

When the newly-married couple left on a wedding trip to the Southern States and Mexico, Mrs. Oliva was wearing a dress of imported tweed in brown with topcoat of cinnamon brown and avacado accessories.

Among out-of-town guests were the bride's grandmother, Mrs. J. M. Smith; her aunts, Mrs. J. M. St. Clair and Miss Evelyn McGee, all of Vancouver, B. C.; Miss Mary-Alice Porter of Vancouver, Mr. and Mrs. Frank Oliva of Edmonton, Alberta, Mr. and Mrs. Dominic Oliva of Coleman, Alberta.

Twenty-one per cent more cars are registered in Canada for 1959 driving than were recorded in 1958.

Cub and Scout News

The Coleman Lions Scout and Cub Group committee wish to report an extremely successful Scout Bottle Drive on Saturday, January 12th.

In all some 3225 pop and 2350 beer bottles were donated. Through the generosity of all those that gave bottles, the drive realized a profit of \$119.70 which will go a long way towards the cost of conducting all Cub packs and one Scout troop toalling some 75 boys.

Tentative plans are under way towards this year's Scout camp, and it is hoped that a bigger and better camp will be held in mid-August.

The committees advise that they would appreciate more interest by the parents of the boys in the Scout and Cub movement, as the Group committee is still short of members. If you are interested please get in touch with the chairman, Mr. John Salus.

Satin fashioned the molded bodice with its long lily-point sleeves and Sabrina neckline appliqued in lace, and formed a front panel on the bouffant skirt of lace. A chapel veil of French illusion was caught to a crown of tiny pearls. Her trailing bouquet was styled from Red Delight roses and she wore a diamond gift, to complement her ensemble.

Waltz-length gown of gold delustered satin with portrait neckline, brace-length sleeves and unpressed pleats was worn by Miss Shirley Myers, who was her sister's only attendant. She carried gold "mums" and white carnations in her bouquet and wore a Dion-inspired headress of gold satin.

Twenty-one per cent more cars are registered in Canada for 1959 driving than were recorded in 1958.

a 56 number blackout will be held on Friday, January 22.

Other prize winners at the affair were:

Grocery hamper, A. Woods.

End table, Mrs. Louis Bubniak.

\$25 cash, Mrs. H. Anderson.

Grocery hamper, Aileen Zur.

\$10, Polk Showdown.

Bulova watch, A. Tuliss.

25 gallons gas, Mrs. A. Cozzi—all the above from Coleman.

\$25, Sam Consanzo, Bellevue.

Weavearts prize, John Pekete, Crow Nest.

Electric blanket, Annie Hortak of Bellevue.

Box of chocolates, Mrs. Rosio of Bellevue.

The \$1250 consolation prize on the \$100 jackpot was split between Mrs. S. Ezaki of Crows Nest and Mrs. Stefie Yagoe of Coleman.

Consolation prize was won by Mrs. S. Ezaki of Crows Nest.

Dear Tom:

Enclosed please find a money order for \$35.00 for a renewal subscription to The Journal.

I hope you are all keeping well.

We are not too bad — the best for the New Year.

Yours truly,

G. I. MORGAN.

Main Street, Coleman

The Coleman Branch of the Canadian Red Cross Society will hold a

RED CROSS MEETING

in the COLEMAN CENTRAL SCHOOL on

Thurs., January 28th

at 7:30 p.m.

All interested persons are welcome to attend.

Of course, this crack train isn't likely to pull in at your Imperial Esso service station, but it, too, is an important Imperial customer and plays quite a part in your everyday driving.

Why competition among oil companies for customers like "The Canadian" benefits you

100

You and customers like the railroad want to be sure that you are getting the best products, the best service and the best price.

In Canada there are 74 oil companies competing to serve you and your car. Imperial is one of them and has 13,000 people working in oil fields, research

laboratories, refineries and sales forces—all helping to compete for business.

The standards of quality, service and price that it takes to win railroad business benefit all our customers, large and small.

That's one reason Canadians have made Esso stations the busiest on Canadian roads.
